

KinderConnect – Merge Parents

If a **Child** starts receiving services while eligibility is being determined, it is necessary to create a Non-Subsidized (Private Pay) Schedule in order to track **Attendance**. As part of the process, **Sponsor** records may be duplicated between the two types of schedules. The child **Sponsor** records can be merged in order to remove duplications created during child setup.

- A** On the main KinderConnect menu, press **Merge** under Sponsor to view **Authorized Parent** names.

Authorized Parent

Select	Parent Name	Sponsor ID	Sponsored Children
☒	Corbett, Jonathan	1542	Debora Corbett Jonas Corbett
☐	Craymer, Yolanda	51	Inez Craymer

- B** Click under **Match** next to the name of the parent you would like to merge into the first parent record selected. If no matching parents are found, the system displays a list displays all potential parents and a message indicating that no matching parents were found and that the list of potential matches has been expanded to show all parents.
