

KinderSign – Download the App to an iPad

Install the KinderSign app on an iPad from the App Store. Once it is installed, the tablet is ready to be registered.

- A** Tap the **App Store** icon on the iPad home screen.

- B** If the iPad asks whether the App Store may access your location, tap **Allow**. If it asks whether you want to set up **Family Sharing**, tap **Not Now**.

- C** In the search field, type **KinderSign Louisiana**, then tap **Search**.

- D** Once the KinderSign app is found , tap **GET**, then **Install** to download it. If your iPad asks you to sign into the iTunes Store, enter your Apple ID, password and tap **OK**.

- E** Agree to the iTunes terms and conditions if asked. If this is a new Apple ID, tap **Next** and work through the **Complete your Apple ID** screens, including billing information such as your address.
Note: You are **not** required to provide credit card details.

- F** When the download is complete, tap **GET**, then **Open**. *KinderSign by KinderSystems* appears on the screen.

- G** When the iPad asks whether KinderSign may access your location while you use the app, tap **Allow**. If it asks about **Family Sharing**, tap **Not Now**.
