

## KinderSign – Review the Provider Attendance Summary

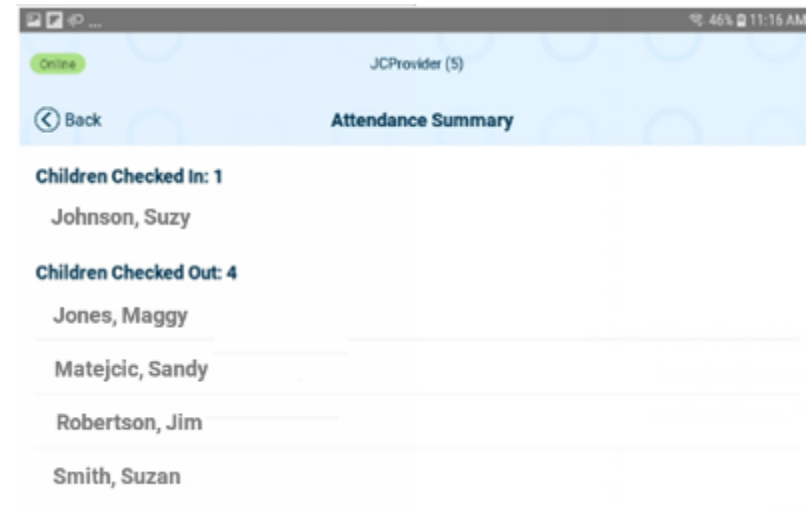

Review an at-a-glance summary of the child roster by attendance status — who is **Checked In** and who is **Checked Out**.

- A** From the **Staff Activities** screen, tap **Attendance Summary**.

- B** KinderSign displays a list of all children currently **Checked In** and **Checked Out**, including the child count and names.

**Note:** This page is view only — no edits can be made.

- C** Tap the **Back** button to return to the previous screen.
