

KinderSign – Send a Message to a Sponsor

As a Provider, send a message to a Sponsor directly from the tablet. The Sponsor sees it in the Messages tab under their Activities screen.

A Sign in using the identification method selected by your agency.

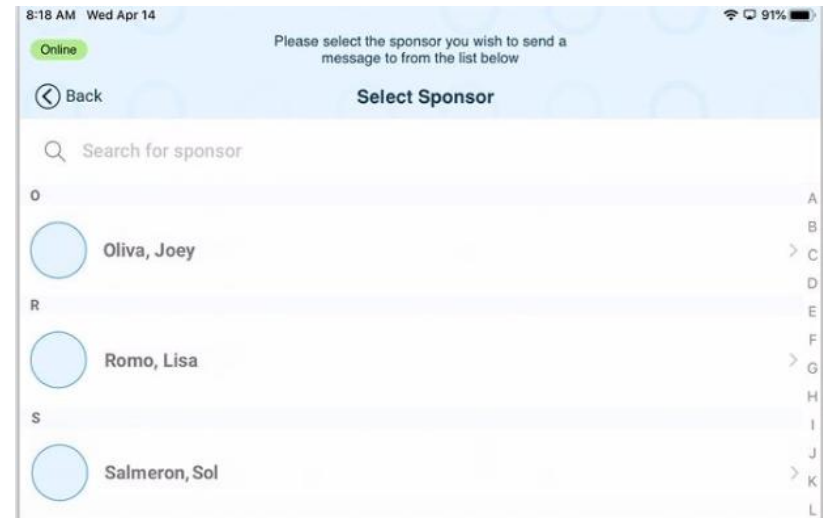

B Tap **Messages**.

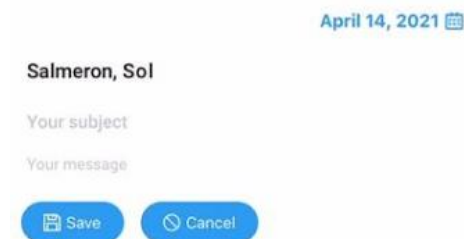

C Tap **Send Message**.

D Tap to select the name of the Sponsor.

E Type the subject and contents of the message, then tap **Save**.

F The Sponsor sees the message added to the **Messages** tab under their **Activities** screen.
