

KinderSign – View Attendance Transactions

As the primary Sponsor, review a child's attendance transactions made by others.

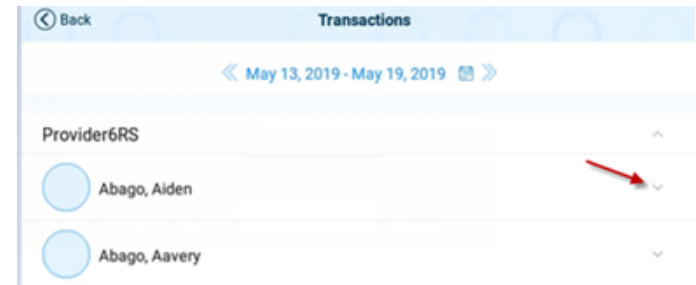

- A** Sign in using the identification method selected by your agency.

Note: If the telephone method is used and more than one Sponsor shares the number, tap your name from the list.

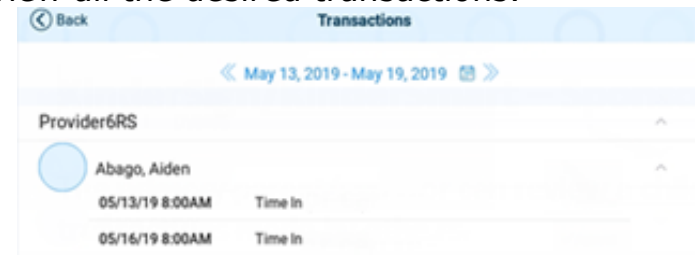

- B** When the **Activities** screen appears, tap **Transactions**.

- C** When the list of **Transactions** appears, tap the dropdown arrow on the right of the desired transaction to expand its details.

- D** Review all the desired transactions.

- E** When you finish, tap **Back** to return to the previous menu.
