

KinderSign – View Case Information

As a Sponsor, review the schedule information for a child in your case. This screen is view only.

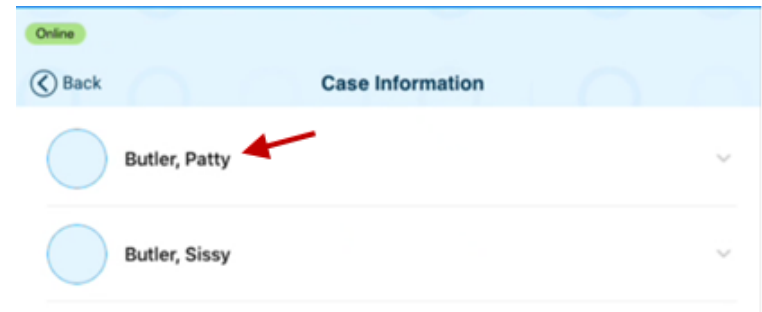

- A** Sign in using the identification method selected by your agency.

Note: If the telephone method is used and more than one Sponsor shares the number, tap your name from the list.

- B** When the **Activities** screen appears, tap **Case Information**.

- C** When the list of children's names appears, tap the name of the child whose **Case Information** you would like to see.

- D** Information about the schedule(s) of the selected child displays.

Note: This is view only — no changes can be made.

- E** When you finish, tap **Back** to return to the previous menu.
